Professional Experience and Curriculum Vitae

ALEX COUEY enjoys your lawn furniture more than you do. He was born in Idaho and raised in California. His life motto seems to be "if it's not awesome, it's not worth doing...". Most afternoons he can be found listening to vinyl records, riding his bike, or cruising to the outskirts of civilization in his '88 Volvo. His photography has led him over mountains, hills, oceans, fjords, rivers, and seas. He is available to astound you, so let him take your picture.

His work has appeared in a variety of ways in the following publications/sites: Spokane Review, Boise Weekly, Anchorage Daily News, Anchorage Press, Cake Central Magazine, Eagle Magazine, Mary Janes Farm, ilona Magazine, Neurolux.com, UrbanAgentTeam.com, AviadCohen.com, MattHopper.com. As seen in various film & television productions in both USA & Europe.
