Professional Experience and Curriculum Vitae

In 2005 I received a Bachelor of Fine Arts Degree from Cameron University where I graduated Cum Laude. A year later I was awarded a full tuition fellowship scholarship to the San Francisco Art Institute and in 2008 I graduated with a Master of Fine Arts Degree.

For the past ten years I have enjoyed much success as a professionally practicing and nationally exhibiting fine artist and more recently working as a freelance Illustrator.

Previous Clientele

Recently I have had numerous illustrations published online for Bills.com, freedomdebtrelief.com, tellingreads.com and in 2010 I worked closely with children's author Julie Chapman on illustrating and designing the cover for her latest project.
