KCXX 103.9's Merry Meltdown Christmas Concert 2013. I created promotional fliers, banners, and created the Rocker Elf mascot.

I also created a photostrip layout to place listener pictures into live at the event.

I was the Social Media Team leader for KCXX 103.9's Christmas Concert, Merry Meltdown.

I was responsible for managing and uploading live content during the event as well as making the unique photo-booth style souvenirs for attendees to the concert then uploading them to social media sites.
