## **Professional Experience and Curriculum Vitae**

Andrew Pearce is a young photographer located in country Victoria.

Originally Andrew is a short film maker, and has had great success both nationally and internationally. His film making experience is evident in his art, with considerations on composition, lighting, narrative, motion and drama.

At the age of 19 his work has been exhibited in the Australian Centre for the Moving Image ACMI, Melbourne Museum and the National Gallery of Victoria, and published in Bulb Magazine.
