## Awards and Accolades

??????????

??????????

????????????

??????????

??????????

???????

I love advertising, I love creative work & design, more so, I need strategy.

Its my deepest wish to be part of your creative team: to work  
to contribute, to learn & to grow. I hope to achieve my aspirations in the creative industry  
and excel.

And the experience I have had conceptualizing & designing. I hope to become an  
excellent professional art director in the creative business. No challenge is too tough
