## **Professional Experience and Curriculum Vitae**

Hello! I'm a Designer & illustrator. I am an ENFJ. A graduate from The University of the Arts, a coffee & craft beer aficionado. I can usually be found drinking a good brew (coffee, tea or a microbrew), perusing design blogs or looking for uniquely designed ampersands.

I like clean lines, subtle texture with a little bit of whimsy. I think about paper, screen sizes, readability, UX and how I can break the grid without breaking the grid!

## **Previous Clientele**

ShareUrMeal, BunchBall, Met-Rx, NutriSport, The Classy Taxi, Sparks, The Piazza, Bespoke Media
