Professional Experience and Curriculum Vitae

Christopher is an award winning, New York based, freelance portrait and fashion photographer. Extensive travel and a degree in Geography from Texas A&M University informs Christopher's work with a unique texture and palette. Focusing his career on children's portraiture and fashion for the past six years, he has developed an energetic and powerful portrait style. Christopher utilizes impeccable sometimes cinematic lighting to capture fresh imagery of his energetic subjects. His artistically mature approach draws from his ability to connect with children while capturing their playful spirit.

Previous Clientele

Clients have included boutique kids clothing designer es+es, Babesta, Babiekins Magazine, Small Magazine, Defining Trends Magazine, National Geographic, and Rolling Stone Magazine.
