I Want Your Picture, mostra evento a Parigi

(foto Carla Pivonski)

Un sguardo obliquo, trasversale sui temi della moda e della bellezza. Al maschile a al femminile. Ma soprattutto, attraverso gli occhi di giovani fotografi internazionali. Succede a Parigi, in occasione di *I Want Your Picture – Meet Photographers*, seconda edizione della manifestazione che quest'anno propone una selezione dei lavori di artisti come Eric Ouaknine, Gary Breckheimer, Diego Zitelli. Un'occasione per scoprire nuovi scenari e per trovare nuove fonti di ispirazione nell'ambito della fotografia contemporanea. (m.d.p.)

I Want Your Picture, 15-17 novembre, Espace Commynes, Parigi.
