Professional Experience and Curriculum Vitae

An award-winning graphic design agency, Studio North Marketing develops strategic branding, distinctive collateral and innovative websites. We provide fine commercial art for entrepreneurs and business clients looking for distinctive sophistication. What sets us apart from other graphic design firms is our strong strategic focus on branding, and not just design. Since 1985, we have been image builders, web designers, and advertising gurus. Our services include complete turnkey from creative to the final product. Our proven track record of providing superior marketing solutions has kept us in the forefront, serving clients around the globe for over twenty-five years.
