Professional Experience and Curriculum Vitae

Cindy Martin Design is a graphic design and illustration arts company dedicated to providing creative, original graphic design and branding for our clients. We know what we do best and strive to be the best at what we do.

We provide graphic design services for organizations of any size. We are passionate about our work and care that you receive our best every time on every job. Your logo, colors, look and style are the visual representation of your business and the foundation for all your marketing, branding and advertising. As your design partner, we take the time to learn your business goals so our visual designs help you reach those goals.

Principal designer, Cindy Martin, is a graduate of Virginia Commonwealth University School of the Arts and holds two degrees in art and has over 15 years corporate marketing experience in the technology, service and nonprofit and manufacturing sectors. We are members of AIGA and GAG the professional associations for designers. Visit us online at Visual Design Blog and LinkedIn.

Our mission statement says it best; you are valued, we care about your time, your money and the results. We are more than a service vendor, we want to be your design partner as your business needs grow and change.
