## Professional Experience and Curriculum Vitae

I'm a graphic designer and owner of Fox Digital Design. Design has been a passion of mine for more than 10 years. Fox Digital Design was started in 2007 as a graphic design studio. Its mission is to provide a wide range of creative services, quality design and personalized customer support.

I have worked with clients all over the world: US, Canada, England, France, New Zealand and Australia.

I live in Central Florida with my husband, two year old son and two cats. In my free time, I enjoy photography, traveling, reading urban fiction, brewing and drinking lattes and not taking life too seriously.

## Previous Clientele

Earl of Sandwich, Buca di Beppo, Planet Hollywood, Yo Belle, BistroTHAI, VeraASIAN, TokyoSAN, Taviani's
