Professional Experience and Curriculum Vitae

Courtney Kuhlman is graphic designer living in San Francisco, California.

•(?_?)•

Enter a futuristic universe of pioneering, techie princess, Courtney Kuhlman. Armed with nothing but a battle rifle (circa her Halo 2 glory days) and a domination of Adobe Creative Suite, this designer has carved out her own digital reality.

Aside from the Sci-Fi works of Orson Scott Card or Michael Chrichton, few things slow down the turbo mind of said hero, CK. She'll also press pause to pet a cat.

Zigzag through her Coca-Cola fueled world and behold the intricacies and ideas that have shaped her role as gadget girl, gaming girl and graphic girl. Revel in her adventures and guide her to the next level.

Courtney Kuhlman is more than ready to advance. She's just wired that way.
