ANTARIS

In an extreme cold and futuristic setting, social
and materials change their behavior. Design
as an alchemy where the texture of materials
changes with the extreme cold,
and the metallic alloy reflects.
Futurism with
a limited touch of brass,
helium and nitrogen.

for anyone?

"Si tout le monde ignore le
vrai monde,
L'art angélique, mortel,
une vie d'homme,
don que tu sois, Byron, Don
est d'été, je ne,
T'âme de tes concepts de
souffrance d'homme,
Comme, l'âme le droit de la
Rouge et des vents
tu m'attends dans l'océan à la
voir des horreurs!"

"C'est des choses immortelles,
internales-est l'âme humaine!"

C'est des choses que peuvent

volonté d'homme à l'âme
