## Professional Experience and Curriculum Vitae

Sanford Corporation | Chicago, IL

In-house design studio. Graphic Designer.

January 2004-present.

Part of a small design team developing packaging, POP and collateral for a new line of office products, Rubbermaid Office Solutions.

Rubbermaid Home Products | Wooster, OH

In-house design studio. Graphic Designer.

January 2003-January 2004.

Part of a studio of 13 designers who provide design for Rubbermaid's marketing department. Paired with a design coordinator to design and produce packaging and point-of-purchase for specific product lines: kitchen, food storage, bath and kitchen utensils. Projects, either production or concept oriented are frequently time sensitive due to customer commitments and can require high volume workloads.

Spagnola & Associates | New York, NY

Multi-disciplinary design firm. Graphic Designer; full time internship.

September-December 2001.

Designer in a small team, two designers and an architect, led by principal, Tony Spagnola, in creating corporate identity systems, publications, exhibits and architectural signage. Clientele include the New York Public Library, Armstrong, Knights of Columbus Museum, Quadrangle LLC, Westminster Dog Kennel, etc. Project involvement ranged from initial brainstorming to final design concept individually or assisting a Senior designer.

1185 Design | Palo Alto, CA

Multi-disciplinary design firm. Graphic Designer; full time internship.

March-June 2001.

Collaborated with large team of designers in creating corporate identity design, print and multi-media design solutions for technology based companies in Silicon Valley. Clients ranged from Adobe, Cisco Systems, Stanford University, Computer History Museum, Greg LeMond, etc. Project involvement ranged from initial brainstorming sessions to final design concept either as an individual or as a design team.

Pentagram Design | New York, NY

Multi-disciplinary design firm. Graphic Designer; full time internship.

March-June; September-December 2000.

Assisted Michael Bierut and team in creating identity design, environmental graphic design and editorial design solutions. Involvement with projects ranged from implementing principal's conceptual ideas into digital form, direct client interaction, developing presentations and contribution to group brainstorm sessions. Other responsibilities included the finalization of projects for production and contact with client and print vendors.

Philips Design | Atlanta, GA

In-house design firm. Graphic Designer; full time internship.

March-June; September-December 1999.

Created various designs for brochures, coupons, point-of-purchase and print ads for Philips Electronics/Magnavox. Primarily, these projects encompassed a range of developmental stages from internal clients. Involvement with projects spanned from text changes, finalizing and preparing files and also, creating new designs from concept stages.
