Professional Experience and Curriculum Vitae

Hi guys

I am Doewan shimul . I work as a graphic designer at <http://phototrim.com/> . It is an online image operation service based website. We provide a huge number of services such as Clipping Path, Background Removal, Image Masking, Color Correction, Photo Retouching or Restoration, Jewelry Retouch, E-Commerce Image Processing, Neck Joint, Shadowing, 360 Degree Panorama or HDR imaging, Corporate Identity (Logo, Catalog, Advertising, Packaging, Brochure/ Flyer, Greeting Card, Business Card etc.) and lastly in Creative Design we serve Digital Design, Album Design, Raster to Vector Conversion, Image to Cartoon Design etc.

For unmatched Image exploitation service PhotoTrims is definitely second to none choice. Key differentiator is first-rate work at a reasonable price. Our experience and highly efficient team is able to manipulate any image by your requirements. Your happiness is a burning craze to us and we give the maximum effort to ensure it. When you experience any such graphics that need to have image management, simply just forward it to me with the requirements you have and in most cases you will get a price from us within an hour of receiving the enquiry.
