Professional Experience and Curriculum Vitae

Hello! My name is Penny Laporte and I run a home-based, freelance design and print business.

Professionally I have over 20 years experience in strategic marketing and graphic design. My company, design & layout provides a complete array of print design solutions from logo design, corporate identity packages, brochures and web graphics, to advertisements and e-flyers. I specialize in creative targeted marketing and promotional materials that meet the needs of small start-ups and mid-sized existing businesses. My passion lies in developing fresh, simple, usable designs. I look forward to collaborating with you on your next design project.
