Professional Experience and Curriculum Vitae

Hi my name is Diana. I am a proud owner of 400 low polygon animals. Well, almost I like to think we are half an exhibit full. Feel free to follow me on my journey as I expand my low poly animals to 400 species.

Hope you find something you like! Enjoy!

Feel free to visit us on Instagram at www.instagram.com/diana_dachille.

Previous Clientele

Diana D'Achille is a graphic and a web designer with a passion for creating eye catching designs. Diana is currently a Visual Web Designer Consultant for Verizon Wireless. She has worked on numerous innovative projects and have been responsible for many of the visual elements on the Verizon Wireless website. Her assignments have included homepage marquees, landing pages, page redesigns, and lead designer for the Valentine's Day 2015 creative and device launches.
