Professional Experience and Curriculum Vitae

Michael's Photography & Video is Daytona Beach's full service studio providing all of your imaging needs. Weddings, Family & Senior Portraiture, Commercial / Corporate & Graphic Design, and Video Production we can provide you with your images with our award-winning staff, or with Michael himself. Michael's began in 1982 with Daytona Beach's very first 1 Hour Photo Lab. In 1983, Michael photographed his first wedding and since then has photographed well-over 1000 weddings personally, and over 2000 weddings as a studio.

Michael's has the area's largest studio shooting room with a shooting area of over 1200 square feet, along with state-of-the-art digital proofing. This allows the client to immediately view their images during the photo session.

did you know?

Sales Car, Lower Rates, Car Shopping Season?

Some insurance companies premium for cars that have higher ratios of damage or compact cars. And cars that do better in safety tests? They're more likely to get you lower rates.
