Professional Experience and Curriculum Vitae

Doug brings an ethic of hard work, engagement and intensity to his photographic life. He is passionate about the medium, and this energy is infectious among his clients and subjects. At the same time, he brings skills of subtlety and tact to his assignments. His sensitivity to a situation allows a deep immersion into the heart of an environment, whether the job is an annual report, an editorial assignment, a college marketing book, a foreign travel piece, or a wedding.

Previous Clientele

North Charles Street Design Organization, DNA Advertising, Smithsonian Magazine, Discover Magazine, among others.
