Lost in a village of incantation
Blissful verses of fascination
Labyrinth paths found in a time
Restless riddles, haunting hymns

None is yours and all is mine
The halo glow begins to shine
Disguised as passion past the dawn
Above the meadow the sky rolls on

Golden grass waves in the willow
Evening light awakes on a pillow
Unable to see the silent storm
If you awake it shall be no more

Timeless dreams came all before
Nestled nightmares in familiar form
Tainted tales once believed
Fall far beneath the reverie

Mystic legends and ever after ends
Kingdoms and castles all descend
The days of innocence don't remain
Will precious wonders feel the same

Above the sky a transcending star
Bestow a prayer to the land afar
The soul refuses to wear this chain
Make this wish and rise again
