Professional Experience and Curriculum Vitae

Ed Richardson is the founder and owner of Siyathetha Communications based in Port Elizabeth.

It is a public relations and research company built out of his experience in the media. He has worked in on newspapers, television and radio and writes on a range of topics for a number of national and international publications.

His experience includes all types of field reporting and management in print, radio and television.

He moved to Port Elizabeth in June 1996 to take up the post of business editor on the Eastern Province Herald and Weekend Post.

In August 1999 he established Siyathetha Communications, a full-service communications company. It has been involved in most of the major developments in the Eastern Cape, including Coega, The Boardwalk Casino and Entertainment World and the port of Ngqura.

He writes for and edits national publications, including editing Industries, which is published in the US and distributed internationally. He also writes scripts for video productions and multi-media presentations.

Previous Clientele

Coega Development Corporation, The Boardwalk Casino and Entertainment World, Freight and Trading Weekly (Africa editor), Automotive Industries (editor), Fish River Sun, Ritz Gaming.
