Professional Experience and Curriculum Vitae

It's Alex Delgado, a creative from Spain. I'm launching a personal project to fight racism due to coronavirus, Racismistherealvirus.com

It's a non-profit Limited Edition of Masks that face racism while fighting Coronavirus designed by worldwide creatives.

Until now, creatives and designers from different agencies in the world - DDB, TBWA, Anomaly, Marcel o Droga5, among others - have collaborated to fight this wave of racism.

Hope you like it and let's FUCK RACISM!
