The screenshot shows the homepage of CenterMatch. At the top, there's a navigation bar with a 'Register' button, a 'User name' input field, and a password input field. Below the navigation is a main menu with 'FEASIBILITIES' and 'INVESTIGATORS' tabs. Underneath the menu, there's a large image of a smiling man in a white lab coat holding a clipboard, with other medical professionals in the background. A blue callout box contains text about the website's purpose: 'Centermatch.ro was created in order to fulfill the growing demands of clinical trial sponsors and CROs to open trial sites in Romania. We have developed a secure, on-line environment to transform the feasibility process in an independent activity. We can make a difference in the feasibility process and see what is right or what was wrong.' Below this section is a 'WELCOME TO ROMANIA' heading with a paragraph of text. Further down, there's a 'So you can choose:' section with two bullet points, followed by a paragraph of text. At the bottom of the page is a footer with links to 'HOME', 'ABOUT US', 'CONTACT', 'SERVICES', 'SITE MAP', 'DISCLAIMER', and a phone number 'TEL +40 368 800 168'.

Below the navigation, there are two main sections: 'FEASIBILITIES' and 'INVESTIGATORS'. Under 'FEASIBILITIES', there's a quote from Albert Szent-Györgyi: 'Research is to see what everybody else has seen, and to think what nobody else has thought.' A sidebar on the left contains an 'ABOUT US' section with text about Romania's clinical trial potential and a 'Why is our approach different?' section with several bullet points. Two news items are listed at the bottom of the page: one about completing an online feasibility study and another about the website going online. The footer contains copyright information and links to 'HOME', 'ABOUT US', 'CONTACT', 'SERVICES', 'SITE MAP', 'DISCLAIMER', and a phone number 'TEL +40 368 800 168'.
