Professional Experience and Curriculum Vitae

FELIX FREUDZON
58 Richmond Lane
West Hartford, CT 06117
(860) 231-8642

PROFILE

Talented Designer with excellent success in concept, industrial and architectural design areas. Recognized as a creative artist who consistently produces innovative and quality work. Superior ability for taking project from "initial ideas" to final product. Develops effective liaison with artists, designers, photographers and clients. A good communication with demonstrated strength in direct and project leadership. Experience includes:

- * Concept design
- * Product development
- * Design team coordination
- * Dimensional design skills in 3D and 2D CAD
- * Artistic Drawing, Painting and Composition
- * 3D Rendering and Animation as well as Virtual realities and walk-through
- * Model building, marker and computer renderings
- * Construction techniques, display related building codes
- * Research and purchase new materials

Formulate layout and design concepts for Trade and Model Shows. Supervise staff in executing layout design of new displays, exhibits and graphic materials to be presented for visual communication and construction. Review visual materials and consult with clients regarding budget constraints, background information, presentation approaches, style, technique, and related production factors. Conceive and delegate production of material to artists, designers, and photographers. Review, approve, and present final layouts to client or department head.
