Professional Experience and Curriculum Vitae

Piers began photographing skateboarders for fun, when he was just thirteen years old. He carried on skateboarding but more importantly taking pictures at every opportunity. Piers currently works editorially as a regular contributor for Sunday Times Travel Magazine, Sainsbury's Magazine, & CNN Traveller, and works directly with tourist boards and hotel groups worldwide.

He has worked with clients on advertising, reportage, fashion & beauty, portraiture, and travel assignments worldwide.

This has given him a profound understanding of image creation and composition, combined with practical experience.

He is still, after 20 years of image making, fascinated and enthralled by the picture taking process.
