Professional Experience and Curriculum Vitae

Résumé

Chances are, Greg Paprocki's work has already found its way into your home. As a highly sought after freelance illustrator, Greg has worked with some of the world's most prestigious ad agencies and publishing houses.

Greg's artwork has also graced the covers of several of The New York Times Best-Sellers List titles, and he has helped carry on the legacy of children's book icon Curious George, illustrating several books in a new series for publisher Houghton Mifflin.

Recently Greg launched his own line of stationary products, The Cherry Bombs, inspired by his infatuation with pop culture, pulp fiction art, and vintage children's books.
