Professional Experience and Curriculum Vitae

Greg Coulton is an Illustrator, Designer & Typographer. Whether he's creating packaging or portraits, brand stories or album covers - the art of storytelling is at the heart of all Greg's work.

His illustration philosophy - 'The devil is in the detail', pretty much defines everything he does.

Intricate and multi-layered, his hand drawn illustrations are driven by the principles of good communication design, honed during 15 years designing in London Ad agencies.

Combined with his traditional draftmanship skills and love of exuberant, Baroque-inspired flourishes,

the end result is Greg's unique works of meticulous detail and enchanting narratives.
