Professional Experience and Curriculum Vitae

French born Guilad Kahn is an award winning photojournalist whose primary focus revolves around News, current affairs and in-depth features about the human condition in crisis and conflicts in our world.

He is based in Bangkok, Thailand and travels worldwide to some of the world's hardest to reach and most difficult places to work in.

Outside of his current home in Asia, His work has taken him to the Middle East, Africa, Europe and North America.

Guilad's photography has been published by most of the world's main newspapers, magazines and content providers such as Newsweek, Time, The New York Times, Stern, Le Figaro and many others. His video work has been awarded numerous honors and has been featured by leading broadcasters.
