Professional Experience and Curriculum Vitae

Hello! We are Felix and Anabel, and together we have created Hassō Studio, a design studio and a traditional printery that living in the same space.

We have launched a campaign on indiegogo with Oversized World Map Series, for support the first steps of our project.

Felix is a printer and worked for over 10 years in the printing centennial of his family. Anabel is copywiter and has worked for several years in major national and international design firms and advertising. Hassō means Japanese idea and have elected to represent us as the foundation of all our projects starts with an idea. We are passionate about design, typography and new technologies.
