Professional Experience and Curriculum Vitae

I'm a sixteen year old girl, living in Norway. I've always loved to see the world through a camera, and my hands are made for holding one. Other things than photographing I do are things like drawing, listening to music, singing, being with friends, reading and being with my best friend and dog; Zebulon Alfons.

Previous Clientele

I'm in high school and are studying photography and journalism.

Awards and Accolades

Please kindly get in touch for more information.
