## Professional Experience and Curriculum Vitae

Viktor Hertz was born in Uppsala, Sweden, in 1983. In 2009, he started to do graphic design as a hobby, and has been freelancing since 2010. His work is usually inspired by pop-culture, satire and humor, often using visual metaphors and focusing on strong ideas. Viktor has been featured in numerous worldwide exhibitions, magazines and books, and has also had his own work exhibited. In 2014, he started to write and direct short films, and is currently combining commission work with personal projects.
