Professional Experience and Curriculum Vitae

Creative Future is a registered charity that gives those excluded by society the chance to reintegrate through their own talents by providing training and support for artists and writers, whether beginner or advanced. We offer exhibiting and publishing opportunities and raise the profile of individual artists/writers and the organisations they access, whilst challenging public stereotypes of marginalised people.

Our services include:

- Art and Writing Courses
- Mentoring programme
- Volunteering opportunities
- Promotion

(Marginalised: *Those with mental health problems, learning difficulties, homeless people, substance misusers, physical disabilities, offenders & ex-offenders)
