Professional Experience and Curriculum Vitae

The little boy like a child with sweet thoughts about love, color, music, forms, and life. Born in Pistoia on 22 June 1982 I love drawing, color, and talking too much. If you see a star, in that same moment I'm trying to go in space :) I'm simply in search of the path where humor and work going in the same direction.

Previous Clientele

Noodle Park

Himalaya

A Smile For Timbuctu

Arsenale

Dream

Gold

C.C Firenze
