Professional Experience and Curriculum Vitae

Jennifer Silverberg Photography "GROWING BRANDS THROUGH HONEST FOOD & FARM PHOTOGRAPHY"

I'm a commercial / advertising and editorial photographer specializing in food, farm & agriculture imagery. Or more simply, I capture images of people, what they eat and how it gets from the pasture to the plate.

Clients and collaborators find me to be creative, flexible, efficient and results oriented. I am down-to-earth; passionate and far from perfect. I don't take myself too seriously and I firmly believe being on set should be fun. I value my crew as much as my clients. It's these things combined that allow for the creation of authentic, artistic and head-turning imagery.
