EXPERIENCE /

BURN THE BOX / CREATIVE K8 DESIGNS
TX

Austin,

April 2003 - Present

CREATIVE DIRECTOR /

Guided the creative direction of client projects and contribute to the development of compelling user experiences for projects delivered on time and on budget. Main focus was to become a beacon of creative energy with the mission of inspiring creative ideas in others.

RESPONSIBILITIES /

- Lead the development of creative concepts that speak to the client's and end user's goals by facilitating brainstorming sessions and working closely with clients and creative teams.
- Extracted creative thoughts and ideas from internal and client teams.
- Deliver creative briefs according to project schedules that communicate creative concepts clearly and reflect the value proposition of sites and concepts.
- Participate in client meetings and pitch creative concepts to clients on behalf of the design team.
- Provide constructive feedback to designers and team members in a sensitive and motivating way.
- Ensure creative concepts delivered to clients are in line with client's expectations and the target audience.
- Drive the constant evolution of Burn the Box design techniques.
- Research and utilize innovative design and creative concepts.
- Contribute new sources of creative inspiration to the design team on the whole.
- Contribute to the branding of Burn the Box and related internal projects as needed.
- Act as company advocate and embody the Burn the Box values: people, passion, creativity, fun and excellence.
- Diffuse problems and put forward solutions that are in the best interest of the company and employees.
- Participate in ongoing special projects in support of Burn the Box environment and strategic plans.
