Professional Experience and Curriculum Vitae

Graphic Design for Nonprofits & Foundations
Branding, Print, Web, Illustration: logos, brochures, reports, maps, infographics

Black Graphics works with nonprofits to develop effective branding visuals, and communications via print and screen. I'll help you develop the right strategy to tell your story through engaging, visually distinctive graphic design. And we'll work closely with you, to identify the objectives of your project to deliver the right message in the best way.
