Professional Experience and Curriculum Vitae

Melbourne Photographer Kristian Gehrade has created a reputation for innovative photography that reflects his passion and the essence of all his subjects in each image.

His ability to work across the diverse genres of Commercial Photography from Architecture to Studio Fashion and Product Photography has helped develop a full repertoire of lighting, technical and creative skills to capture any project in its greatest light.

Kristian believes that thoughtful interaction with the subject and client is essential to form powerful imagery which has now seen him to be in high demand for Editorial Photography and Corporate Photography assignments Australia wide.
