### **Professional Experience and Curriculum Vitae**

Hi I'm Kris a naturally creative being whom loves to design, Illustrate, build, etc.. you name it I just love all round creativity and making things from nothing.

I graduated in Graphic Design at Lincoln University and then travelled for 8 years came back to the UK and now have been working within an adventure travel company, Tucan Travel, as a Graphic Designer for the past 4 years. It was a no brainer job to come back to as I love to travel and discover new places, so combining two passions of mine was an amazing opportunity.
