Sting^{S3}

free fuel!*

One year free.
More than 13,000 miles.

Q. How can we afford this?

A. The aerodynamic Sting S3 wrings the maximum potential out of the fuel efficient Rotax engine.

Even when you buy your own fuel, you'll still be operating the Sting at 1/2 the cost of traditional aircraft!

★ Here's The Fine Print

One year of free fuel will be prepaid in cash at closing based on the following assumptions:

- 100 hours flying time at 5 gph
- 50-60 split between storage and engine
- \$3.00/gallon average price
