Professional Experience and Curriculum Vitae

I'm an independent designer and illustrator based near Seattle. My illustrations have a fresh, friendly appeal. Bold, fun color and compositions that have movement and flow. Modern and whimsical, my versatile vector illustration is appropriate for advertising, editorial and communications. I've worked with clients in the advertising, publishing, editorial, packaging and the children's market. Visit my vector illustration portfolio website (<http://leslienewman.net>) to see samples of illustration for advertising, editorial, children, icons & spots, maps and packaging.
