## Professional Experience and Curriculum Vitae

Lime 388 is an international creative studio based in Shanghai incorporating Parisian design expertise and Eastern cultural points of view. We specialize in haute couture communication design and interior design. Our approach is to provide the highest quality service from beginning to end. For all design projects, we manage and follow-up on production and construction. Our full-service package ensures an efficiency and adherence to intentional design solutions as an end result. We believe that design should be an integrative process, so our team is composed of multidisciplinary and multi-cultural individuals. To schedule a meeting, please call us at +86-21-6132-5104 or visit [www.lime388.com](http://www.lime388.com).
