Professional Experience and Curriculum Vitae

Hello,

I am doing freelance illustrating, if you need illustrations/ drawings for:

- a book you are working on
- Logo design
- graphic design
- T shirt design
- Poster Design
- Or just a simple art piece
- Card Design

I may be able to help. I like illustrations, graphic and drawings of all kind.

I mainly draw on paper, using either Liquid-ink pens and pencils.

I also draw on iPad using the PAPER app.

My influences draw from many comic books, graphic design, magazines etc... artists that inspired and influenced my style mainly includes Eiichiro Oda (Author of One Piece), Bruce Timm (Creator of the iconic Timmverse DC Characters), Ma Wing Shing (author of Feng Yun, a popular comic series from Hong Kong) and many others.
