### PROFESSIONAL EXPERIENCE

-----SKYLI

NE METRO CHICAGO • Chicago, IL Sep 2006 - Present

Senior Graphic/Exhibit Designer

- Responsible for the concept and design of advanced modular and custom trade show exhibit structures from start to finish. The process starts with conceptual sketches, proceeds to 3d modeling, then to 2D design and 'skinning,' and finishes with rendering.
- Conceptualized, designed and built departmental website, [skylinedisplayschicago.com/graphics](http://skylinedisplayschicago.com/graphics) through which all jobs within company flow.
- Integrated CRM software Goldmine 5.7 and billing software QuoteWerks 4.0 into Graphics Department, both of which are essential to efficient day-to-day activity.
- Authored the Graphics Department 'Graphics Guidelines,' Workflow Model, and Strategic Timeline Model.
- Designed for clients including Sears, K-Mart, Comcast, AT&T, Peninsula Hotels, Hamilton Inn, and Chicago Mercantile Exchange.
- Responsible for the pre-flight filtering of design media from outside agencies and clients, color correction, pantone color matching, layout accuracy, and including, but not limited to image resolution.
- Responsible for direct client interaction encompassing technical hardware, creative design, and all other art production issues.
- Hands-on experience with large format printing and laminating.
