Professional Experience and Curriculum Vitae

Mike was born and lives in England. He has been working professionally for just three years and runs all aspects of the business by himself.

Mike is well educated in Art & Design and is qualified to Degree level in Illustration. He currently supplies unique artwork to clients throughout the world for use in books, films and games.

Mike has a passion for detail and enjoys capturing atmospheric lighting. Despite his interest in myths and fictitious subjects he tries to harness a sense of realism and history within his art. As a result his work balances on the divide between plausibility and fantasy.

Previous Clientele

Dungeons & Dragons, Call of Cthulhu, A Game of Thrones, Warhammer Invasion, Warhammer Fantasy Roleplay, The Lord of the Rings The Card Game.
