dear diary  
i dont know where to find so much  
courage but to not face you require  
so much more than that but i know  
i have it in me and i'm gonna heal  
my soul on my own fucking own way  
without mopping and living in the bed  
at times but there are times when  
i really want to thank you for being  
gaway and gone cost that really  
made me strong and stronger know  
ing that i can walk on the streets and  
and still feel my footsteps and i can  
still eat kentucky fried chicken and  
ndroti prata without it tasting salty  
all the time i love how  
you and me somewhere in there and  
dth you the key into the deep blue  
sea and i know you have too and we  
shall be fine in a matter of no time  
so see me smile like never before :)  
almost all.
