# Living THE Dream

ISAGENIX INSPIRED PEOPLE TO GO OUT and live life to the fullest.

ARMED WITH 60 DAYS to regain their youthful vitality and cross all things off their bucket list. Meet the top three **LIVE YOUR DREAMS** challengers who all came out winners.

**NICK HARRISON**  
Winner of *Great 2014 Live Your Dream Challenge*

## Live Your Dreams

**1st PLACE**

### Nick Harrison

age 43

#### A 60-day miracle

► A running habit of his, Nick's response came in 2008 after a start accident tore his rotator cuff of the same arm that he'd learned to throw a baseball. He quit playing and immediately became a comedian. The following year, he was diagnosed with multiple sclerosis and told to stop performing. In 2010, he was diagnosed with a brain tumor and underwent two types of spinal surgery—without relief. In his challenge season Nick's 10, 15 and 20 mile runs were his only exercise. He returned to a functional physical fit.

In his 20s, Harrison was a professional basketball player and a member of the NFL's Dallas Cowboys. After only a season of acting, he quit. "I was told I had a great voice," he says. "I was told to keep it and not wanting to return because of my injury, but when I got '1st runner' and later," says Nick, "I'd only my first, but my knee had been bothering me, so I'd a question how far I could go. The 'runner' was right." "I was told to keep it and not wanting to return because of my injury, but when I got '1st runner' and later," says Nick, "I'd only my first, but my knee had been bothering me, so I'd a question how far I could go. **I am a new man, a stronger father, a better husband.**
