## NATRI

2013 Lookbook

Established in 2012, NATRI is a t-shirt label based in Berlin but with roots that spread to the whole world. Our t-shirt designs have a strong graphic influence.

The current t-shirt collection is about minimal, geometric and typographic design. All graphics are silkscreen printed with pantone colors on sweatshop-free, unisex t-shirts in a limited edition. All produced with passion, love and the highest quality.

We are proud to present you here with some of the looks from this collection.

Enjoy!

WORK IN PROGRESS - STILL BLANK?

*Sometimes it's hard being creative but don't give up.*
