### **Professional Experience and Curriculum Vitae**

Nobuko SAITO started her career in sales promotions after her graduation from the Musashino Art University in Tokyo. First she worked as un art director and a graphic designer at Mitsukoshi department store in charge of several luxury brands. (Harrods, CHAUMET, Mappin&Webb, etc...) She pursued her career at Nippon Design Center, working mainly TOYOTA, on a few projects including the starting of PRIUS. After a sabbavical in France she shifted her focus to Branding and was involved in total design, from packaging to corporate identity, working for DESGRIPPES GOBE. She is supported from clients by extrapolating the sure results. She started NEUF DESIGN in 2008 where she enjoys creations support from her clients as she strives to always exceed their expectations. She is a member of Japan Graphic Designers Association. She speaks English and French.
