Professional Experience and Curriculum Vitae

Unique DIY Papercraft Kits made from pre-cut and pre-creased paper pieces that you get to build yourself from scratch similar to puzzles, but this time in 3D.

It's time to decorate your room like never before and have lots of fun while doing it.

There's a couple of models to choose from: World Map, Mythical creatures, Animals and Iconic buildings.

In case you're interested in featuring us, here's a press kit link.
