Professional Experience and Curriculum Vitae

Hey my name is Rekha, I've been a freelance graphic designer & portrait artist since 2007.

I have been fortunate enough to combine two of my many passions which are design and my faith. I'm grateful to have been able to design almost all the communication material for The Peoples church as well as designing for several other business' big & small!

I love music and spend my working days with music playing while I get creative. I also love movies, reading books, food and sunshine :)

Previous Clientele

The Peoples Church, Butler's Cafe Restaurant, Bon Appetit cafe, A&M Photography & Design, UAEO Church & many individual professionals.
